InDesign

Hi there! I'm so excited for my first year of DALI. I first started learning design in high school. I took a lot of design classes and designed my senior yearbook. I joined DALI this year because I want to expand my knowledge of design and developing and because building a product is such a cool process. I hope to become a journalist someday and move to Boston.

Style Guide

I decided I really like the look of Lantinghei because it is easy to read and very clean. I chose a few colors that I thought complemented each other well without being overwhelming. The rounded edges of the masked photo and the main part of the ribbon felt less rigid and more casual.
